The registration fee to the event is **€250,00** and includes the following :

- Road Book
- Bag with the event logo
- Mechanical Assistance during the event
- Half Board c/o Villaggio ‘Giardini d’Oriente’ Nova Siri
- EventGadget
- Bib/Pettorina with team number on front and back
- Parking Area for scooters, vans and cars, inside the Village

The innovation of this edition is that the fee will include dinner and overnight of the Briefing day, Thursday, May 30, always in the same Village.

The delivery of travel documents will be prior to the Briefing, which will take place the evening before the departure, Thursday, May 30, at 6 p.m., and will be held at the Giardini d'Oriente.

There will be the aid for the duration of the event, of 3 vans, arranged at the head, half and at the end of the whole group. The vans travelling in the middle and tail of the group can provide service assistance to scooters that could have mechanical failures.

Along the route there will be Stamp check points (CT) and receipt check points (CS), which will be logged on your Road Book.

The characteristic of the event will remain, as tradition dictates, always the same: it is a motorcycle event reserved for Vespa and Lambretta with mechanical gear change, absolutely not competitive, where the fundamental principle is linked to the passion towards one's own scooter and touristic interest .

Each team can hold a maximum of 5 scooters and will depart with a 3 minute gap from the following team.

Like every year, this event takes place with the precious and irreplaceable collaboration of the clubs: **Vespa Club Cilento Vallo della Lucania, Vespa Club Ceglie Messapica, Vespa Club Lizzano, together with the workers of the Municipalities of Nova Siri, Brindisi, CeglieMessapica , Lizzano, Sapri, Matera, and the FMI Regional Committee of Puglia.** Our heartfelt thanks go to them.
